

**We are not alone
in this work.**

In many regions of the world,
there are people & species who are highly dependent on
snow, especially Southwestern U.S., Scandinavia, Russia.

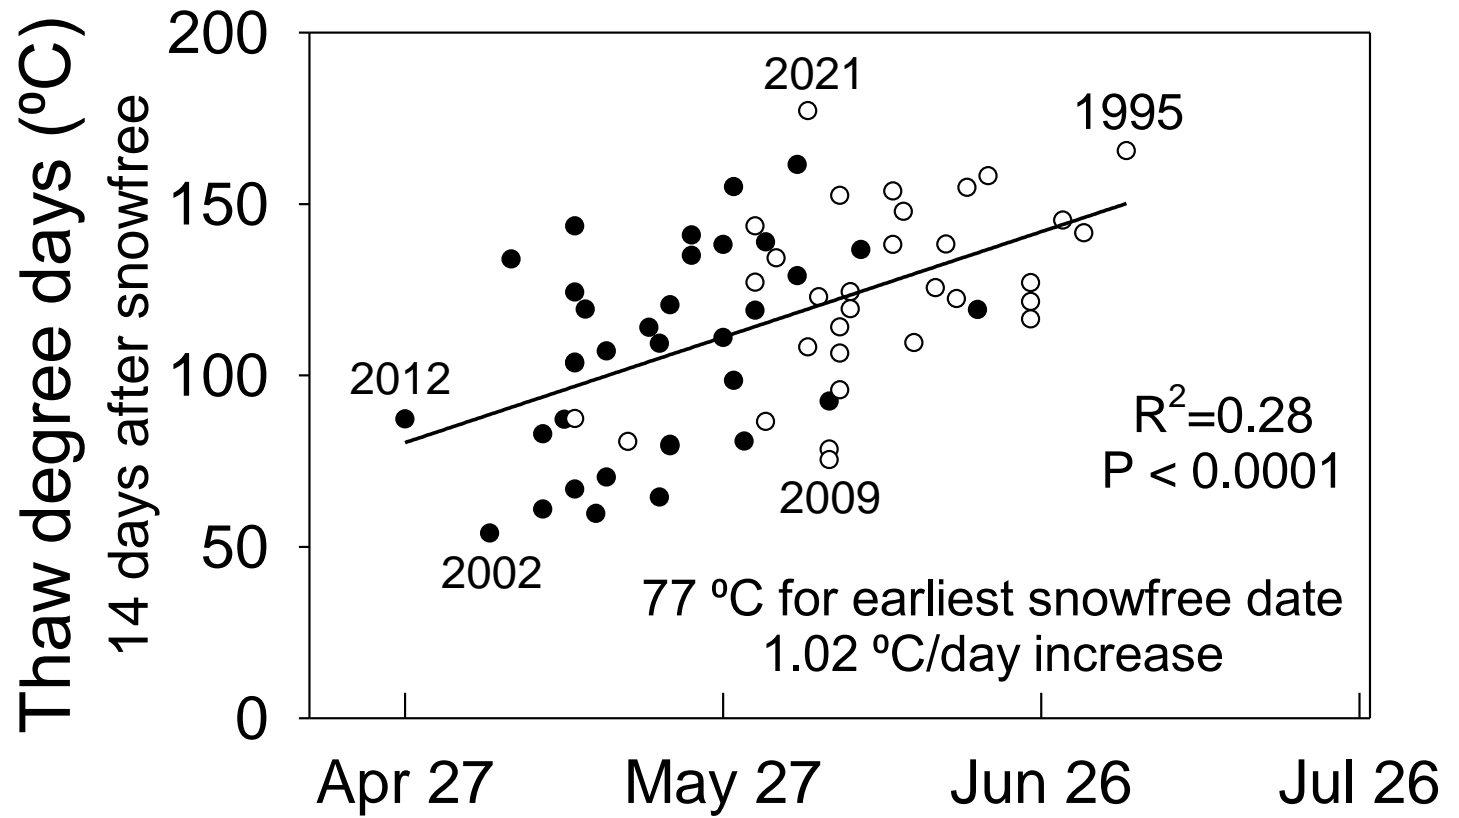

Mountain
snow is
magic

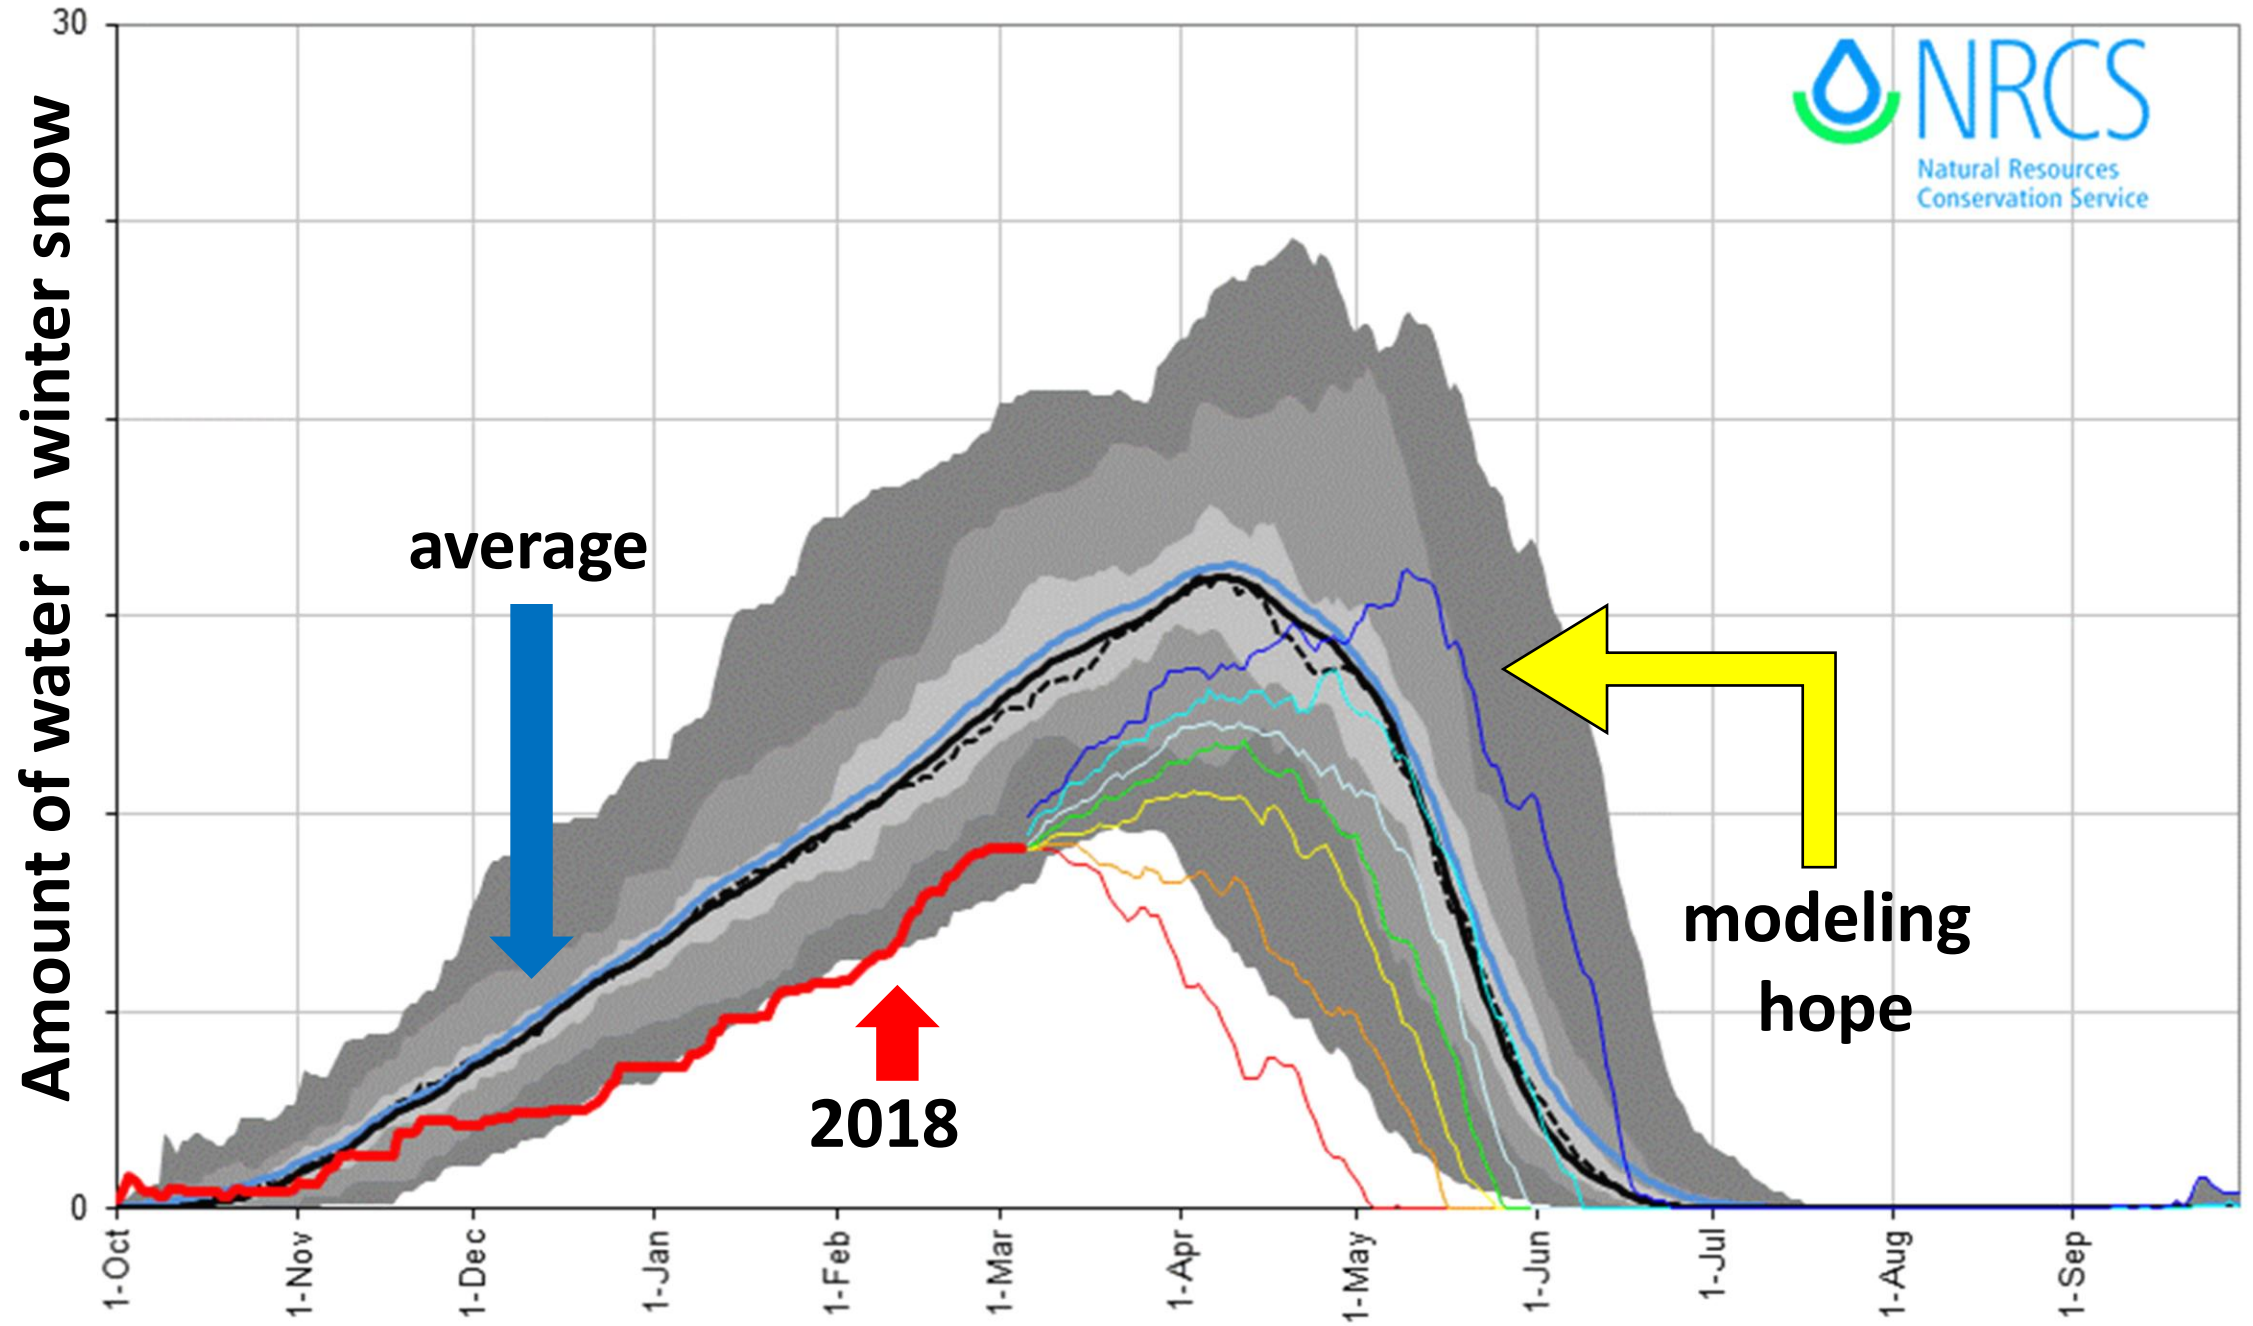

Deserts are
nearby

Extreme
climate years:
opportunities
to learn

Colorado Statewide with Non-Exceedence Projections

Based on Provisional SNOTEL Data as of Mar 05, 2018

Amount of water in winter snow
